Chairman Frank Bruno
Volusia County Council

Please accept this letter as my resignation from the Volusia Growth Management Commission and the County Personnel Board.

I consider these boards to be very valuable to Volusia County and have considered it a privilege to serve.

I am running for the Volusia County Council District One and feel that continuing to serve on these boards would be a conflict of interest.

Thank you for giving me this opportunity.

Sincerely,

A handwritten signature in cursive script that reads "Dwight D. Lewis".

Dwight D. Lewis

Mr. FRANK BRUNO
