Bill Christen Lmt Exactly. His father is a thug too. Have you noticed the large neck tattoo that he has? The media tries to hide that. Not that tattoos make you a thug, but he is.

We (your FUN beach family) are trying to plan a get together one weekend in August for a "Pontoon Boat Day on the St. Johns" A friend has offered their home (on the St. Johns) and 1 boat and we plan to rent a couple more. Are you interested, should I keep you in the loop?
