2019-00169893

NARRATIVE

Section 1: Narrative

On Saturday, May 11, 2019, at approximately 1213 hours, I responded to 3582 Twelve Oaks Circle, Merritt Island, Florida, 32953, in reference to a three (3) year old male that had been found floating in the pool and was unresponsive.

Prior to my arrival Sgt. L. Smith #76, FTO B. Fisher #1607, and Deputy K. Fitzgerald #4513, arrived on scene and immediately started life saving measures such as Cardiopulmonary Resuscitation.

Brevard County Fire Rescue Engine and Rescue 41 arrived on scene and assumed care of the patient, later identified as Mr. Riley Fowler (victim). Mr. Fowler was ultimately transported to [REDACTED] by Rescue 41 with life saving measures still being performed. He was later transferred to [REDACTED] by air.

I spoke to Mrs. Amber Fowler (complainant), who advised the following in substance.

Mrs. Fowler advised that Riley Fowler and his two sisters, Ms. Reese Fowler (involved), and Ms. Farah Fowler (involved), were all swimming in the pool. Mrs. Fowler stated that Riley can not really swim on his own and therefore has to wear floaties which he had on. Mrs. Fowlers explained that she was mopping the kitchen and living room floors while the kids were outside in the pool but she would check on them frequently and had a good view of them from where she was. Mrs. Fowler stated that she had just checked on the kids before she began to mop a small section of the kitchen and she saw that Riely Fowler had his floaties on and everything seemed fine. Mrs. Fowler said that she turned around for maybe just a minute or two to rinse the mop out when she heard the girls scream "mommy Riley is floating without his floaties." Mrs. Fowler explained that when she went out to the pool she observed Riley Fowler floating face down on top of the water close to the center of the pool, not moving without his floaties on. Mrs. Fowler advised that she immediately grabbed Riely Fowler out of the pool and started CPR. Mrs. Fowler had [REDACTED] get her phone and call 911 and she continued CPR until deputies arrived.

A crime scene log was imitated and maintained until scene was turned back over to the family.

Mrs. Fowler advised that Riley Fowler has no medical conditions that she is aware of. Mrs. Fowler stated she is not sure why Riely Fowler did not have the floaties on. Mrs. Fowler said she has made her husband, Mr. Jason Fowler (involved) aware and he is heading straight to [REDACTED] from work. Mrs. Fowler advised that a friend was coming to take care of the girls and then she would be going to the hospital as well. Upon arrival of Mr. Jerod Jacobs (involved), the girls were turned over to his care, Ms. Fowler was transported to the hospital by BCFR District Chief 40.

Due to the nature of the incident Agent E. Kersey #284, of the Major Crimes Unit was notified. Agent Kersey advised that he would be in contact with the family and he was going to have the Crime Scene Unit
