On 12/19/06 at 2000 I was assigned to unit CWI. At approximately 0115 Ofc Bach and I switched posts and I assumed duties on unit 1. 0200 rounds were not made because I was speaking with other officers on the unit and lost track of time. At 0300 Ofc Coffin let me inside all the blocks to conduct headcount and everthing appeared normal. I did not notice anything unusual about inmate Nelson, Jack 662384 1C01 and I do not recall any other specific detail to him. At 0345 we received 10 new inmates from ID. Due to paper work and breaks rounds were not made at 0400. At 0455 when the accucheck came back from the clinic Ofc Coffin then left the unit to take his break. When he returned chow arrived on the unit I started feeding chow to all the blocks and everything appeared normal. I do not recall if inmate nelson received a tray or not.
