

INMATE NAME: Veira, Tracy BOOKING NUMBER 803671 CELL SM03
SUBJECT Code Blue North Wing LOCATION N/W Rotunda DATE 09/16/09 TIME 0954

During rounds on North Wing Rotunda on 09/16/09 at 0833 hours, I observed SM03 MLD 151 Inmate Veira, Tracy 803671 lying on her bunk on her right side facing the wall, covered with a county issued blanket. I saw her face and her eyes were closed. She appeared to be sleeping and I did not wake her to speak with her. I documented on the VCDC 52 record of segregation that I had seen her at 0833 hours. Inmate Veira was not up at the moment I checked on her and I intended to speak with her when I was again on North Wing, which is numerous times through out the day. At 0945 hours, I was again on North Wing to house in H Block a Constant Watch inmate brought from East Wing. While waiting for assistance into the block, I observed Officer Gardner doing rounds in the rotunda. Officer Gardner stated that SM03 was on the floor and called a Code Blue.
