Mr. Byron:

See the below 5-15-2013 response we (VolusiaExposed) received from Lt. Mason regarding our PRR for the recording of the April 5, 2013 meeting between Captain Hunter and Director Recktenwald (as mention in his letter of suspension to Hunter).

According to Recktenwald's letter - several individuals attended that meeting, to include Captain Vanis (IA investigator), Corrections Director Ford, and Assistant County Attorney Nancye Jones.

With little doubt this meeting was investigative in nature - in fact, in the past the county has claimed such, as their rationale for not releasing PRRs. Therefore, per Florida law, there should be a recording of this meeting.(F.S. 112.532)

VolusiaExposed is currently working on an article that covers the Hunter, West and Schneider investigations.

Since Lt. Mason states that the recording is not in the possession of VCDC - can you ascertain who is in possession of this record we seek?

Thank You
