WORD/402 (Supplemental)

of

On the above listed date and time I spoke with I/I describe the incident that cocurred he stated he was changing and that 2-inmates came into his cell and pushed him down onto the bunk, hald him down facedown on the lower bunk and one of them inserted their perhis into his cell and pushed him down onto the bunk, hald him down facedown on the lower bunk and one of them inserted their perhis into his ass. He was saked to identify them he said he couldn't he never saw them. I seked if he fought back or resisted in any way, he stated no. I asked with we way he said he was held down he couldn't. When asked again how he was violated he stated that he was kneeling on the floor and was bent over the bunk, when asked how his now differed he said he cidn't know and wasn't sure. He was asked why when he was taken to the hospital to be checked and accessed did he refuse he stated he didn't know and wasn't sure. He was asked why when he was taken to the hospital to be checked and accessed did he refuse he stated he didn't know the only thing he heard was coh and ahh until they finished. He also added that he thinks only ouy did it to him the other guy, but held him down with the other guy, asked him again why didn't he fight back or scoram did they hold a hand over his mouth or threaten him, he stated no he was just scared and wants to forget about it. I asked him if he was alright he said yes. Then asked him if he was homosexual or bisexual, he stated no he was advised that in the past we have had imates attempt to manipulate them for release through a bond process he stated no. He was advised that in the past we have had imates attempt to manipulate them for release through a bond process he stated no. He was advised that in the past we have had imates attempt to manipulate family to gain release if that has occurred please advise of such since we are trying to find out that coursed to help him and to ensure this dosen't happene to anyone else, he alleges he understood but he dosen't know arrow and also what they one of h		BOOKING N	UMBE CELL	NUMBER: 12810
describe the incident that occurred he stated he was changing and that 2-inmates came into his cell and pushed him down onto the bunk, held him down facedown on the lower bunk and one of them inserted their penis into his ass. He was asked to identify them he said he couldn't he never saw them. I asked if he fought back or resisted in any way, he stated no. I asked why he said he was held down he couldn't. When asked again how he was violated he stated that he was kneeling on the floor and was bent over the bunk, when asked how this now differed he said he didn't know and wasn't sure. He was asked why when he was taken to the hospital to be checked and accessed did he refuse he stated he didn't the officer who met them there told him it was to late so he didn't bother, he just wants to put his behind him. Inmate was then asked if the alleged attackers were black or white big or small or said anything specific he stated he didn't know the only thing he heard was ooh and ahh until they finished. He also added that he thinks only one guy did it to him the other guy just held him down with the other guy. I asked him again why didn't he fight back or scream did they hold a hand over his mouth or threaten him, he stated no he was just scared and wants to forget about it. I asked him if he was alright he said yes. I then asked him if he was homosexual or bisexual, he stated no he wasn't. I asked him if he wrote this letter to family in an attempt to manipulate them for release through a bond process he stated no. He was advised that in the past we have had inmates attempt to manipulate family to gain release if that has occurred please advise of such since we are trying to find out what occurred to nelp him and to ensure this dosen't happen to anyone else, he alleges he understood but he dosen't know anything. I told him I find it suspect that he could allege this happened without anyone seeing or hearing anything, this in an open cell and that statements taken and nobody alleges anything occurred and we will usually	SUBJECT: Interview concerning sexual assault	LOCATION: Unit-5	DATE: 07/28/2011	TIME: 1030hrs
ure of his sattey. He alleges that he just wants to forget this happened. Inmate was returned to his cell.	describe the incident that occurred he stated he was charbunk, held him down facedown on the lower bunk and o said he couldn't he never saw them. I asked if he fought down he couldn't. When asked again how he was violate when asked how this now differed he said he didn't know checked and accessed did he refuse he stated he didn't just wants to put his behind him. Inmate was then asked specific he stated he didn't know the only thing he heard guy did it to him the other guy just held him down with the a hand over his mouth or threaten him, he stated no he was alternpt to manipulate them for release through a bond pratternpt to manipulate family to gain release if that has one help him and to ensure this dosen't happen to anyone else suspect that he could allege this happened without anyon to not indicate or validate his complaint. I explained that and nobody alleges anything occurred and we will usually to be moved none of that occurred in this instance. I/N	concerning an alleged anging and that 2-inmates cannot be innered their perback or resisted in any way, and he stated that he was knew and wasn't sure. He was as the officer who met them the if the alleged attackers were was ooh and ahh until they are other guy. I asked him again was just scared and wants to cual, he stated no he wasn't rocess he stated no. He was accurred please advise of such seeing or hearing anythin inmates have the time to way get statements that would the was advised that he was	sexual battery that occurred. We ame into his cell and pushed his ame into his ass. He was asked the stated no.
