NARRATIVE / CONTINUATION

1 On 03-27-11 at approximately 1739 hours, Investigator Mays was dispatched to the Volusia County Correctional Facility, 1354 Indian Lake Road, Daytona Beach in reference to a death investigation.

2

3

4 Upon arrival at approximately 1813 hours, Investigator Mays met with Sergeant Savercool, Deputy Robinett and Investigator Vega in the parking lot. Deputy Robinett advised us of the following: The victim, Heidi Wooley was inside the facility. She was arrested on 03-26-11 for possession of cocaine and possession of paraphernalia. After being "booked" into the Volusia County Branch Jail, Wooley was examined by the medical personnel. After first appearance (court appearance) today, Wooley was complaining that she was not feeling well and she was visibly shaking. Wooley was again seen by the medical personnel and placed into a medical block which requires the staff to check on her every 15 minutes. At 1530 hours, Wooley was unresponsive. Medical personnel, EVAC, Volusia County Fire/Rescue and a doctor from Halifax Hospital were called. Wooley was pronounced dead at 1625 hours by Doctor Muciola (unknown if correct spelling) over the telephone. According to Robinett, the officers within the facility have preserved the crime scene.

12

13 At approximately 1840 hours, Sergeant Savercool, Deputy Robinett and Investigators Vega and Mays entered "H Block" where Wooley was in cell #16. Investigator Mays took photographs of the scene. Investigator Mays found Wooley lying supine on a green mat on the floor of cell #16. The oxygen bag/tubes were still attached to Wooley's mouth. Another tube was embedded into Wooley's right leg. Wooley's head, underarms, and back were still warm to the touch. Investigator Mays did not observe any signs of trauma/foul play. Investigator Mays noticed that the toilet contained clear liquid/water. The soap, toothbrush and toothpaste were not opened. The sink was clean as well as the floor. Investigator Mays was advised that the medical examiner's office was already contacted by the facility and they were already enroute.

20 Deputy Robinett started a crime scene log. Investigators Vega and Mays spoke with Captains Dofflemyer and McClelland. Investigator Mays was provided Wooley's medical treatment paperwork, progress notes and movement information. Investigator Mays was also provided with a daily log report. According to the progress notes, the Halifax Hospital doctor that pronounced Wooley dead was Doctor Lucidis.

24 Investigator Mays observed that the correctional officers were using a handheld scanning machine when they checked on the inmates. Investigator Mays was advised that the scanning machine was called "Guard One" and it scans the bar code on the wristbands of the inmates.

27 Investigator Mays requested that Wooley's personal property be turned over to Deputy Robinett.

28 Investigator Mays was given paperwork containing the information Wooley provided regarding her next of kin information. According to the paperwork, Wooley's mother lived within Volusia County therefore; Investigator Mays would deliver the death notification.

31 At approximately 1850 hours, Tara Clark with the Medical Examiner's Office arrived and took possession of Wooley.

33 At approximately 1925 hours, Investigator Mays audio taped an interview with Officer Tracy Anderson. Officer Anderson provided the following additional information: Anderson was assigned to "H Block" at approximately 1400 hours. Anderson was responsible for checking on the inmates every 15 minutes to ensure their well-being. If Anderson did not speak with the inmate, she would look at the chest area to make certain the inmate was still breathing. The last time Anderson checked on Wooley was at 1531 hours. At 1548 hours, Wooley did not respond; therefore Anderson asked that the cell door be opened. Anderson turned the light on; she pulled off Wooley's sheet then called for a "code blue." Wooley was lying on her left side on the floor. Anderson noticed Nurse Schill, Nurse Miller, Nurse White, and Lt Scarborough enter Wooley's cell. Anderson noticed the nurses were starting Cardiopulmonary resuscitation (CPR) and using the Automated External Defibrillator (AED). Anderson did not detect any signs that Wooley attempted to harm herself. Refer to the digitally recorded interview for further details.

42 It should be noted that all the inmates on "H Block" are housed singularly and they do not interact with any other inmates. They are considered "in lock down."

45 At approximately 2118 hours, Investigator Mays and Deputy Gayer arrived at [REDACTED]. Investigator Mays advised Wooley's mother, Joyce Wooley-Telford of Wooley's mortality. Telford advised she would advise the rest of the family to include Wooley's 14 year old daughter who is in Telford's custody. According to Telford, the family was aware of Wooley's illegal drug habit and alcohol abuse. They have been expecting this news from law enforcement. Telford advised Investigator Mays that Wooley has a five year old child and three month old child. These two children were adopted. Telford will attempt to contact the adoptive parents. According to Telford, Wooley did not have insurance; consequently; she would go to the Health Department for her prescriptions for high blood pressure.

52 Investigator Mays spoke with Deputy Gayer who arrested Wooley the previous night. According to Gayer, Wooley was very talkative and polite. She openly spoke about her alcohol and drug addiction. Gayer stated that Wooley was under the influence of alcohol at the time of her arrest.

55 On 03-28-11 at approximately 0900 hours, Investigators Mays responded to the medical examiner's office, 1360 Indian Lake Road, Daytona Beach. Chief Medical Examiner Marie Hermann performed the autopsy on Wooley. Per Hermann, the cause of death will be pending further examination.
