The aboved named inmate was housed in the aboved cell as MLD/15I, per medical. As I was conducting rounds in H-Block, I approached H16 and I tapped on the cell door to get the inmate's attention. She did not respond. I then called out her name several times again with no response. Lt Scarborough had just entered the block so I asked him could he open the cell for me to check on the inmate.

Once the door was rolled open I entered the cell continuing to call out to the inmate. I then pulled the cover off of her and nudged at her feet with my foot. The inmate was still not responsive. I then called a Code Blue and told Lt. Scarborough that I needed medical ASAP.

At approximately 1548 medical nurses White, Schill and Miller responded to the Code Blue along with Sgt Pendegrass, Sgt
