On the above date at approx 1548 I was on duty and working Northwing, a code blue for H block was called, I escorted Harrington, Deborah 844678 H01 to holding cell 1 from the clinic. At this time i was unable to respond to the code due to the fact that i was dealing with a 2 ofc full restraint inmate. After the inmate was secured in the holding cell I was instructed by Lt Scarbough to get ready for transport, but was not needed for transport and returned to the wing to assist with other duties.
