On 03/27/11 at approximately 1548hrs., I responded to a code blue on north wing H-block. I entered H-block to assist if needed. I then assisted Cpt. McClelland with ensuring that all reports was completed by staff. I also took the names of all staff that entered cell H-16 for the investigating deputy. I ensured that all staff received their breaks. During this incident chow had to be completed. I fed south wing, west wing and east wing in the chowhall. Due to this incident in H-block there was no movement by north wing inmates. I had trinity staff prepare feed back trays and north wing was fed back. I then entered H-block to assist with the body removal if needed. I also ensured that each staff member spoke with mental health before being relieved.
