INMATE NAME: Wooley, Heidi BOOKING NUMBER 844775 CELL H16
SUBJECT Code Blue LOCATION H16L DATE 03/27/11 TIME 1548

On 03/27/11 at 1548 hours, a Code Blue was called on North Wing in "H" Block by Senior Officer Anderson #455. While conducting rounds in "H" Block, Senior Officer Anderson could not get a response from Inmate Wooley, Heidi 844775 who was housed in H16L on a MLD 15 minute watch. Senior Officer Anderson then called a Code Blue. Ample security staff and medical staff responded to the Code Blue in "H" Block. Lt. Scarborough and I, Sgt. Pendegrass entered H16 with PHS Nurse White and Nurse White immediately called out to security staff to call EVAC. Nurse White and the other two responding nurses, Nurse Schill and Nurse Miller began rescue breathing on Inmate Wooley. Inmate Wooley was laying on her back on her mattress and she was not moving. Inmate Wooley appeared to have a purplish color in her cheeks and feet. EVAC personnel, EMT Brian Anglin and Paramedic Julie Masters arrived at 1600 hours and also began working on Inmate Wooley, trying to revive her. Fire Services staff, Mr. Blum, Mr. Abdula, and Mr. Herd arrived at 1604 hours and also entered H16, to assist. The Code Blue was secured at 1608.

Earlier in the afternoon when I was on North Wing at approximately 1055 hours, I observed Inmate Wooley exiting the North Wing clinic, but I did not speak to her at the time. I conducted rounds in "H" Block at 1212 hours and spoke to Inmate Wooley at 1219 hours. Inmate Wooley had been placed on a MLD 15 minute watch by medical staff and was now housed in H16L. Inmate Wooley was in the progress of fixing her bed. Her bed was a county issued mattress which had been placed on the floor, per medical. When Inmate Wooley saw me at the door, she stopped what she was doing. I asked Inmate Wooley how she was doing and she stated, "I'm doing okay. I'm just a little shakey." I told Inmate Wooley, "If you need anything, let us know." Inmate Wooley said, "Okay." Inmate Wooley again began straightening the covers on her bed. She was standing up and bending at the waist to do this task. I left "H" Block and did not see Inmate Wooley again until the Code Blue.
