To whom it may concern,

In response to your public records request dated 7/18/11, no such record exists with the Volusia County Division of Corrections.

Lieutenant Larry Langdon
Volusia County Division of Corrections

Lt. Langdon:

We have reviewed the recently received public records -- although we did receive a copy of the H-block inmate roster - we did not receive any inmate statements that were possibly collected. Nor was there any indication that inmate written statements were not collected.

Since these inmates are potential witnesses of what transpired in H-block, it appears rationale that either VCDC or VCSO officials would have collected statements or interviewed these witnesses in the course of the investigative process - can you provide these statements or confirm that they were not collected.

Thank You
