Mr. Banks:

VolusiaExposed.Com sent the below email to Agent Ivey four days ago.

As of this date, he has not responded to our concerns of having FDLE investigate the possibility that Volusia Correctional staff falsified official jail records surrounding the death of Inmate Tracey Veira.

We have knowledge that Agent Ivey has personally responded to the family of another Volusia County jail inmate that died in-custody in 2011.(Heidi Wooley - March 2011)

For over a year now, we have been wondering why Agent Ivey will not investigate our concerns (falsification of documentation by jails officials) surrounding Inmate Veira's in-custody death.

Agent Ivey had no problem arresting Melbourne Police Officer Frank Carter for allegedly falsifying traffic tickets (see below media article)

Interesting - Officer Carter alleged that he was charged in political retaliation - the local State Attorney dropped all of his criminal charges, Officer Carter receive an apology from the City of Melbourne and he is currently suing the City.

Agent Ivey has announced his candidacy for Brevard County Sheriff. We believe his candidacy interferes with his desire / ability to investigate our concerns. Thusly, we hold the opinion that his candidacy is interfering with his FDLE responsibilities.

In 2008, State Attorney John Tanner (7th Circuit) opened an investigation into problems within the Flagler County jail. Mr. Tanner lost his re-election bid. Mr. Tanner stated publicly his belief that his campaign against the problems at the Flagler County jail cost him his

re-election.

Since you have been identified as Agent Ivey's supervisor, we ask you to review our concerns (see attached email with web links to the documents that support our concerns) regarding the Tracey Veira in-custody death at the Volusia County jail. Please have these concerns investigated.

We look forward to your response.

Thank You

Agent Ivey:

It has come to our attention that you are apparently no longer in charge of the area that handles jail death investigations.

Could you please forward our concerns about the death of Volusia County

jail Inmate Tracey Veira to the proper SAS? (see below web link)

Your assistance in this matter is greatly appreciated.
