Pam Masters
Clerk of Court
5th DCA - Florida

Ref: James Booth 5D14-1500

Pam:

This email is to confirm my understanding of our phone conversation yesterday.

The decision to deny the motion to relinquish jurisdiction back to the circuit court for a probable Giglio motion against possible prosecutorial misconduct, was decided by a motion panel comprised of Judges Lawson, Evander and Edwards.

If my understanding is incorrect, I request clarifications. Please use this email address as my point of contact.

Here is the article VolusiaExposed.Com recently posted about the 5th DCA and probable prosecutorial misconduct within the State Attorney's office. The Jame Booth appeal(5D14-1500) is referenced within this article.
