That is correct. No Internal Affairs reports were completed with in the Department of Public Protection during the month of January 2014. This includes Corrections, Fire Services, Beach Safety Ocean Rescue, EMS/EVAC, and Medical Examiner's Office Divisions.

Captain Vanis:

And your assurances covers all the below mentioned divisions within the Department of Public Protection - correct?

The rationale for inquiring is that VolusiaExposed.Com intends to post your email response to our webpage, in lieu of any completed IA reports.

Your email will serve as testament that no IAs were completed in January 2014.
