Andrew / Laura:

Good afternoon

Have reviewed the ROIs from January to April 2023.

There wasn't any disciplinary dispositions attached to Eckberg or Garcia.

What were the disciplinary actions taken against these two deputies?

In the particular - we have an interest in Deputy Eckberg - he appears to have an "untruthfulness" charge sustained against him - that would make him inclusive to our "Brady Cop" list. Just want to confirm the "untruthfulness" finding - and what disciplinary action was applied.

Regards,
