Dear Governor (and others):

The above web link details an ever expanding scandal that is CURRENTLY occurring within the Volusia County Sheriff Department (VCSO).

We will let you read the particulars of the scandal for yourself. The point we wish to make is as follows.

Initially the VCSO's opinion was that they could allow Captain Osowski to retire without conducting an internal agency investigation into his possible acts of misconduct.

Thanks to VolusiaExposed.Com (as confirmed in the linked Dec 14th, 2010 email from VCSO PIO Davidson to VolusiaExposed.Com), the VCSO is now going to follow Florida State Law and open the mandatory investigation they should have opened weeks ago.

Of course, we here at VolusiaExposed.Com are left wondering why VCSO did not immediately realize their LEGAL responsibilities, absent the assistance of VolusiaExposed.Com.

Attorney Nancye R. Jones is a self-professed legal advisor to the VCSO and her husband is Captain Osowski supervisor. Was this failure in the Osowski situation an example of the "devil being involved in the details"?

So, VolusiaExposed.Com was apparently correct in regards to the Osowski incident - tomorrow we shall learn Mr. Voges' investigative findings regarding our concerns involving JNC Commissioner Jolley.

Either which way, and as expressed earlier to your office, we STRONGLY believe that Nancye Jones has TOO many conflictS of interest within the Seventh Judicial Circuit to be appointed to a judicial position within that same circuit.

The choice of the judicial selection is of course the Governor's - however, any

future embarrassment caused by his selection can also easily be attached to the Governor. (as in the recent Broward County Judge Gardiner scandal)

In closing, we would ask that you again review our concerns surrounding Candidate Jones' apparent conflicts of interest. (see below web link)
