Geoff,

I am resending this email from last spring with my resume attached. Let me know if this will work this way - The only additional info is that I made the list from the 6 to 3 last time after my initial interview with the Gov. general counsel. The new general counsel is Rick Figlio - he came from the Ausley law firm in Tall. where former Supreme Court Justice Major Harding is now practicing. I know Justice Harding and he will be reaching out to Mr. Figlio on my behalf.

Our interviews have not been set yet but I expect to hear something later this week scheduling the initial interview. Will keep you posted and thank you again - I am keeping good thoughts for the Gov.'s race!

Geoff,

This is GREAT news. Attached is my resume - I think that my strong public safety background should be a plus to them. The SO was represented by the PBA at one time and the FOP as well while I worked there. Of course, my husband is a major with the SO so I definitely have a very strong law enforcement background.

Anyway, if there are any questions, please let me know and THANK YOU!!
