Good Afternoon:

Attached are the autopsy reports for:

Lisa Marie French - 2007 (not 2006) Case #07-0131S
Harry Harper - 2009 Case #09-24-279

Benjamin Lovingood - 2008 - is still under active investigation by law enforcement and is not public record at this time.

Our office is still waiting to hear back from law enforcement on the status of the cases of Kelsey Poitier - 2008 and Jeanette Harper - 2009.

When we hear from them, I will either send the reports or advise you otherwise.

Lise:

Please consider this a follow up email to our below attached public record request, regarding the autopsies of the below listed individuals.

Can you estimate when these records (autopsy reports) will be available?

Thank You
