VX,

The breakdown for the **estimated cost will be 1 hr at \$49.70 per hr** for Jail Administrative time to compile and submit requested records, plus the \$.15 per page for any copies obtained. To review the documents there will be a Deputy Clerk supervision fee for anything over fifteen minutes.

Thanks,

Kari Summers

Under Florida Law, e-mail addresses are public records. If you do not want your e-mail address released in response to a public records request, do not send electronic mail to this entity. Instead, contact this office by telephone or in writing.

Kari:

Such a precise amount \$49.70 - please submit to us an invoice for our review. (a break down of costs)

Can we review the documents at no cost - I can not imagine that there would be any information on a fire inspection report that would require redaction.
