The State Attorney's Office is aware of an ongoing investigation by the Florida Department of Law Enforcement alleging that former Deputy John Braman engaged in criminal activity. Some of the alleged activity was captured on video. Braman is alleged to have stolen from individuals he arrested for various offenses. The State Attorney's Office reviewed all pending and active cases in which Braman had participated in the arrest of the defendant. Due to obvious concerns regarding Braman's credibility, a decision was made to dismiss all cases in which the proof of guilt was dependent upon the testimony of Braman. A total of eighteen pending criminal cases were dismissed as a result of this review.
