Gary / Mr. Byron:

One question - I noticed in the VCSO directives - the officer / deputy has a 3 day requirement to respond to the Notice of Intent, but no such time limitation is note for the Sheriff to respond back to the deputy (Final Letter).

The Florida Officer Bill of Rights does incorporate several time limitations - would these time limitations, even though they are not mentioned in the below directives, be inclusive to the VCSO's practice of issuing the final letter?
