Subject: Michelle Newman's dismissal - Request for clarifications
Date: Thu, 13 Dec 2012 13:55:04 -0500

Mr. Greg Cappetta
Unit Chief
FBI National Academy
Quantico, Virginia

Dear Mr. Cappetta:

As you are now aware, VolusiaExposed.Com is preparing a follow up article regarding the dismissal of Volusia Sherriff Captain Michelle Newman from the FBI National Academy.

If possible, we would appreciate your office addressing the following concerns / inconsistencies between your October 22, 2012 letter to Volusia County Sheriff Ben Johnson and Captain Newman's sworn testimony to her agency. (see attached PDF copies of both)

QUESTIONS:

1. On lines 116-117 of Captain Newman's sworn testimony, she denies that her and fellow student Robert Turner engaged in "fondling". However in your letter to the Sheriff, on page 2, last paragraph, you stated that Newman admitted "to kissing, cuddling and fondling while in bed with him (Turner)." Do you stand by that statement?
2. On lines 130-133 Newman alleges that FBI NA counselors caught other NA "couples" having sex, and that these "couples" were not dismissed from the NA. Is that an accurate statement by Captain Newman. If accurate, was any disciplinary action taken, short of dismissal?
3. On lines 146-149 of Newman's testimony, she speaks of college credits from the University of Virginia Charlottesville – to your knowledge will she receive those credits?
4. On lines 84-85 of Newman's testimony, she denies that her and fellow student Robert Turner were a "couple" - did she ever admit differently while at the FBI Academy?

In regards to our previous request for records (The roster for FBI NA class 250, etc.) – if necessary, we can submit a formal request for the records under the Freedom of Information Act (FOIA), if this would assist your office in processing our request. However, it's our understanding that these records are and have been readily released to media outlets without the requirement of an official FOIA request. Please advise.

We respect your (FBI NA) commitment in honoring your high standards, as outlined in the closing statements of your October 22, 2012 letter to Sheriff Johnson. Please assist us (VolusiaExposed.Com, the citizens of Volusia County) in ensuring that our sheriff deputies meet similar ethical and moral standards.
