NARRATIVE / SUPPLEMENT

Report Date 12-14-2011	Report Time 1845	Orig. Reported Date 33	Nature of Call (for Incident)	Agency Report Number 110037078	1. Original 2. Supplement 1
---------------------------	---------------------	---------------------------	-------------------------------	-----------------------------------	----------------------------------

11 while yelling at her and shook her. [redacted] stated she attempted to call a friend for a ride, at which time Dehut took her phone and threw it. [redacted] explained Dehut then again grabbed her by the upper arms and yelled at her. [redacted] stated while being grasped the second time, she was struck on the left side of the face. [redacted] asked Deputy Deane if a bruise could be seen on the left side of her face.

15 [redacted] also showed Deputy Deane bruises on her left forearm and left hip which she stated she had acquired while at Dehut's residence on 12/11/11. Deputy Deane asked if [redacted] had received those bruises as a result of the physical altercation with Dehut. Deputy Deane observed [redacted] to immediately become visibly uncomfortable with the question. Deputy Deane observed [redacted] to hesitate prior to answering Deputy Deane's question, to which she eventually stated a long, hesitant "No" with the inflection of a question.

20 [redacted] asked as to why Deputy Deane was asking so many questions about the incident, to which Deputy Deane explained he was now conducting an investigation rather than having a casual conversation. [redacted] then became reluctant to speak on the subject. Deputy Deane was able to confirm with [redacted] the physical portions of the altercation. [redacted] stated she had not touched or struck Dehut at any point. Deputy Deane again inquired about [redacted] having been struck in the face to which she stated "It's not like he knocked me out."

25 Deputy Deane photographed [redacted] face which showed no outwardly visible signs of injury. Deputy Deane also photographed the bruising on [redacted] left forearm and left hip. Deputy Deane observed the bruise on [redacted] forearm to appear defensive in nature, consistent location with someone raising their arm to protect their face. Deputy Deane attached the photographs to this report. Deputy Deane again question the origins of the bruises to which [redacted] stated the bruise on her arm was from walking into a pole and the bruise on her hip was from "walking into a table, I think."

31 [redacted] advised she and Dehut had previously resided together as a family unit during their "on and off" relationship. [redacted] stated she and Dehut had been significant others since approximately December of 2010 and resided together at the 1878 Holly Blvd, Deland address for approximately 1-2 months (June and July 2011) prior to her moving out.?

35 Deputy Deane provided [redacted] with a Rights & Remedies (DV) pamphlet, which she signed for. Deputy Deane completed a victim notification card and a domestic violence information sheet. [redacted] refused medical attention for her injuries.

38 Given the statements made and the physical evidence at hand, Deputy Deane determined Dehut to have battered [redacted] and to be the primary aggressor. Further, Deputy Deane determined the incident to meet the criteria for domestic violence.

41 Dehut was contacted at 1878 Holly Blvd, Deland and subsequently arrested.

6 Booze Reviews: Strongbow Hard Cider

MAY/10

2

i The webpage cannot be found

So, ever since I did the review of [Hornsbys Hard Cider](#) (which I really liked) I've been looking for another to review. While researching that first review I ran into a comment on another blog that said Strongbow was their favorite cider - in fact it was "head-and-shoulders" above Hornsbys'. Not really sure about the whole booze/shampoo comparison but I thought I should at least give Strongbow a try.

Strongbow is an imported "dry cider" from England. According to the "Since *whenever*" label, which we all know is pure bullshit, Strongbow has been imported since 1887, the same year [Glenside](#) was first produced (also known as: the most boring-est year ever). This *may* account for the general lack of flavor.

Sorry anonymous commenters, Strongbow kinda blows. Look, I *literally* blew through my 6-pack of Hornsbys in about 2 days - had one with every meal. It was really good stuff that I didn't have to try to like. Strongbow? I've been trying to like it for about 2 weeks and I'm just now finishing the last bottle because I need more room in my fridge. When they say "dry cider" they aren't kidding. **This shit is as dry as the Queen's...eyes...her stoic and bearless eyes.** As for a meal accompaniment? It made pretty much whatever meal I tried to drink it with worse. Actually I just tried it with a piece of dark chocolate which made it significantly less ass-tastic, but I'm not sure that makes up for the overall lack of satisfaction I've had with this cider. **The worst part?** Since it's imported it will set you back almost twice as much (\$10 for a 6-pack) as a domestic cider.
