Involving Volusia County Sheriff Deputy Andrew Oliver

Sgt. Montes:

VolusiaExposed.Com has become aware of a FHP investigation into a November 5, 2013 traffic accident investigation involving a Volusia County Sheriff Deputy, Andrew Oliver.

According to a Volusia County Sheriff Department internal affairs report (ROI), FHP Sgt. Jacob Vaughn conducted the traffic accident investigation. The VCSO ROI supports that Sgt. Vaughn suspected Deputy Oliver of submitting false information to a law enforcement officer. VCSO terminated Deputy Oliver employment due to these allegations.

Please refer to the attached PDF file - copy of the VCSO ROI, as well as a direct web link to the same PDF file.

We (VolusiaExposed.Com) anticipate posting an article detailing this incident and it's investigation - could your office inform us whether the FHP criminally charged Deputy Oliver for filing false information within a law enforcement investigation. If he was not charged, could your office provide the rationale for not filing charges?

FHP Captain Duncan referred our questions to your office.

Please use our below listed email address as our point of contact.

We look forward to your response, and thank you in advance for assisting us in providing accurate and detailed information to our

Thank You
