I'm aware of the allegation referenced in your e-mail. It was looked into at the time and determined to be unfounded.

Gary:

Are you aware of ANY allegations surrounding Sgt. Dwan? In fairness, and to assist your search, let me advise you of some of what we (VolusiaExposed) have been told, and provided.

The "rumor" is that VCSO Sgt. S. Dwan allegedly discovered that his spouse DBPD Sgt. J. Dwan was allegedly romantically involved with another Central Florida LEO. That Sgt. S. Dwan used the DAVID system to locate this other Central Florida LEO.

It is noted that DBPD Sgt. Jennifer. Dwan recently graduated from the Southern Police Institute - Command Officer Development Course, whereas several Central Florida LEOs attended.

<http://louisville.edu/spi/news/news>

Given Sheriff Johnson's recent sworn testimony (Dep. Deane's Personnel Board) regarding the seriousness of misusing the DAVID system, I suspect "someone" forwarded these "rumors" and "allegations" to VolusiaExposed.Com.

Maybe, like the most recent Dep. Sawicki situation, these matters (Sgt. Dwan) also never became an official IA investigation. Therefore, Can you verify whether any sort of complaint or Supervisor's Inquiry was received or conducted regarding these allegations?

We (VolusiaExposed) intend to reach out to Florida State officials regarding VCSO Sgt. Dwan's DAVID search history, with particular attention given to whether he searched DAVID, referencing any of the male attendees of the Command Officer Development Course. (as detailed

in the above web link)

Thanks
