The arrest report is attached. Based on the other e-mail thread, it appears that you already have the answer to one of the questions posed in this e-mail. I'm not aware of any documentation regarding the formatting problems that occurred with Deputy Wood's photos.

Gary:

We are working on an article covering some allegations by Mr. Ensminger against VCSO Deputy Wood. Could we please obtain a copy of Mr. Ensminger's 10-23-11 arrest report... further, Mr. Ensminger alleges in a press release that Deputy Wood lost OR misplace some photos he (Wood) took of Mr. Ensminger's injuries - can you confirm or deny this alleged lost of evidence by the VCSO - and does any documentation exist on that subject (lost evidence) ?

thanks
