Mr. Martin / Margaret Wells:

In regards to our earlier request for public records:

VolusiaExposed.Com was able to secure the FDLE Summary Report DB-27-0036 from the VCSO. (see attached PDF copy) Therefore, we will not be needing this report within our PRR with FDLE. However, we do request, any and all supportive documentation that FDLE has regarding this case / incident. In the particular, we would like copies of all the audio interview recordings, as listed, in the attached FDLE Summary Report.

Please advise us of any costs associated with this PRR.

Please use the below email address as our point of contact.

Thank You
