REPORT OF INVESTIGATION

REPORT NUMBER: IA-12-003

PERIOD COVERED: March 12, 2011 through March 12, 2012

DATE REPORTED: March 1, 2012

SUBJECT(S) NAME: Sergeant Shon McGuire # 1652

INVESTIGATING OFFICER: Lieutenant Erik Eagan # 2273

BASIS FOR INVESTIGATION:

On Friday, March 9, 2012, Lieutenant Erik Eagan met with Major Robert Jones in regards to an anonymous written complaint alleging Sergeant Shon McGuire was involved in an extramarital affair with Ms. Cara Gittner. Letter attached and made part of this investigation. *(See Tab - C)*

OFFENSE(S):

Volusia County Merit System Rules and Regulations 86-453 (13), Any conduct, on or off duty, that reflects unfavorably on the County as an employer. *This violation may be sufficient grounds for disciplinary action ranging from oral reprimand to dismissal, depending on the seriousness of the offense and other circumstances related to the situation.*

INVESTIGATIVE SUMMARY:

On Friday, March 9, 2012, Sheriff Ben Johnson assigned the above-described incident to the Internal Affairs Unit for investigation. This report details the investigation conducted by Lieutenant Erik Eagan.

On Friday, March 9, 2012, Sergeant Tom Tatum and Investigator Glen Bennett served Sergeant Shon McGuire with a Notice of Internal Investigation and provided him with a copy of the Law Enforcement Officer's Bill of Rights. *(See Tab - B)*

On Monday, March 12, 2012 Lieutenant Eagan reviewed the AVL data and conducted a search in Force Watch for possible contacts between Sergeant McGuire and Ms. Gittner's home, [REDACTED]. Lieutenant Eagan expanded the search area encompassing the entire peninsula where Ms. Gittner lives from March 12, 2011 until March 12, 2012. During this query Lieutenant Eagan noticed that on September 19, 2011 then Deputy McGuire drove

south on Atlantic Ave. [REDACTED] and west on Dunlawton Ave. to his home [REDACTED] FL.

There were also two matches in the AVL query that show Sergeant McGuire at Ms. Gittner's residence on July 22, 2011 for fourteen minutes and August 15, 2011 for an undetermined amount of time. Both incidents are when Sergeant McGuire was off-duty using his issued patrol car.

On Thursday, March 15, 2012 County Attorney Nancye Jones contacted Ms. Gittner's attorney, Melissa Murphy regarding Ms. Gittner participating in a witness interview for this investigation. On Friday, March 16, 2012 County Attorney Nancye Jones forwarded Lieutenant Eagan an email response from Ms. Murphy indicating that Ms. Gittner "...is declining to be interviewed as a witness."

Sergeant Shon McGuire

On Thursday, March 22, 2012, Lieutenant Eagan conducted a sworn recorded interview with Sergeant Shon McGuire at the Sheriff's Administrative Office in DeLand, FL. Also present at the interview was Sergeant Tom Tatum, Teamster's Representative Josh Vedder and Teamster's Business Agent Bob Walker. During the interview, Sergeant McGuire told investigators that he has not had an extramarital affair with Ms. Cara Gittner while on-duty. The two instances when Sergeant McGuire stopped by Ms. Gittner's home while in his issued patrol, he was off-duty. These instances were recorded by Sergeant McGuire's patrol car AVL (automated vehicle locator) on July 22, 2011 and August 15, 2011.

Lieutenant Eagan asked Sergeant McGuire if he has had problems with his AVL not functioning properly and he responded that he has. He said that his supervisor was aware of the AVL problems along with Information Systems. He said that his supervisor would inform him if his AVL was not updating his location and he would re-log onto his computer. Sergeant McGuire said that Information Systems had done something to his computer, AVL or both to remedy the problem. Sergeant McGuire denied disconnecting, interrupting or shutting down his computer to avoid AVL detection. Lieutenant Eagan was able to substantiate Sergeant McGuire's claim with his AVL problem and his constant re-logging onto the CAD system.

Sergeant McGuire was questioned if he felt he violated the below listed policies regarding this investigation. He denied violating any policies cited.

26.2.34 Failure to Follow Directive or Order - Employees shall adhere to all official Directives and/or orders, and shall faithfully execute all the duties and responsibilities of their assigned position. (Violation subject up to a 5 day suspension.) No

26.2.144 Any employee found to engage in such purposeful acts with intent to deceive the AVL system in order to avoid detection while on duty will be subject to disciplinary action up to dismissal. (New 06/09) No

Lieutenant Eagan contacted Information Systems to verify the work on Sergeant McGuire's computer/AVL and was informed that Information Systems does not keep a log of what computers they have worked on. Info Services Analyst Jeff Hart did not recall whether or not he had worked on Sergeant McGuire's computer and or AVL.

Sheriff Johnson,

It seems that you've had some problems lately with your supervisory staff and their behavior. Since the subject has come up, there are many more within your organization at a supervisory level responsible for similar type behavior.

One in particular, is Sergeant Shon McGuire. He has been involved in an extra-marital affair for several months with the Beach Patrol Officer, Cara Gittner. If you recall, she was the same officer that resigned from the Beach Patrol after being accused of having an affair with Capt. Rich Gardner of the Beach Patrol.

If you were to check the history on his patrol car GPS, you would see that starting in mid to late July of 2011, Sgt. McGuire took his issued vehicle to Officer Gittner's residence, sometimes while on duty at the end or start of his shift.

In my opinion, Sgt. McGuire should not conduct himself in this manner when he expects his Deputies under his command to conduct themselves accordingly.

A Loyal Deputy

315 TT ...you stopped by?
316
317 EE On the July 22, 2011 you stopped by her residence based on your AVL history.
318
319 SM Yes sir.
320
321 EE Was that the day that you stopped by in uniform or was August 15th?
322

323 SM From that I don't know, I don't remember exactly what day it was I stopped by
324 after work.
325
326 EE Ok.
327
328 TT So if you stopped by there when you were off work were you in your patrol car?
329
330 SM Yes sir.
331
332 TT And you were, you said you were in uniform right so, ok.
333
334 EE Do you have anything else?
335
336 TT No.
337
338 EE Ok Sgt. McGuire I'm going to ask you if you felt like you violated any of these
339 policies or the following directives. 26.2.34 Failure to follow directive or order-
340 Employees shall adhere to all official directives and/or orders and shall faithfully
341 execute all the duties and responsibilities of their assigned position.
342
343 SM I don't feel like I violated that no sir.
344
345 EE Ok. 26.2.142 Use of equipment specifically your AVL, employees shall ensure
346 proper maintenance and utilization of the department AVL parenthetically GPS
347 for its intended purpose and/or accordance with installation requirements.
348
349 SM No sir.
350
351 EE 26.2.143 Employees shall not intentionally cause the interruption of AVL
352 equipment through purposeful acts of negligence or inattention.
353

361
362 EE 82.7.62 is responsibility of person assigned to the MDC to immediately inform
363 their supervisor and information systems of AVL connectivity problems. If info
364 systems determines that the issue requires equipment to be repaired or replaced
365 the assignee will bring the equipment to information systems for service as soon
366 as possible.
367
368 SM No sir.

369
370 EE 86-453.13 Volusia County Merit Rules and Regulations. Any conduct on or off

374 related to the situation.
375
376 SM No sir.
377
378 EE Do you gentlemen have anything?
379
380 JV I do. The way the AVL works when you're on patrol and you're logged on and
381 the AVL is connected is there anyway for you to tell on your computer that the
382 AVL is no longer connected? Does it give you a visual sign, does a light turn red,
383 is there some way for you to tell by looking at your computer that the AVL is not
384 connected or disconnected?
385
386 SM No. Not unless you're intentionally looking for that.
387
388 JV Intentionally looking as how?
389
390 SM Like when you, when you're able to hit the pause break to see where everybody is
391 and then it'll say that you know you're not connected or say reverse geo and then
392 it might say DC next to it but it doesn't say you know on the main screen.
393
394 JV Do you regularly look at where everyone is and the AVL status?
395
396 SM No not always.
397
398 JV Is that a common feature that you would do regularly in the course of your duties?
399
400 SM Now I do yes sir.
401
402 JV As a...
403
404 SM As a Sergeant.
405
406 JV Because you're a...
407
408 SM Checking on my guys yes sir.
409
410 JV Ok, and on the AVL you said that at one point you had taken the computer back
411 to info systems to have the AVL unit itself replaced?
412
413 SM I've taken my computer out there many times for many things. Even for
414 especially for the GPS.

415
416 JV And did they replace the AVL?
417
418 SM I believe so. Or they fixed it, they messed with it I don't know what they did.
419
420 JV Ok.
421
422 BW Just a quick question from me guys. What is the county's policy on anonymous
423 complaints? Are you guys, are you obligated to...
424
425 EE I can tell you the Sheriff's Office policy is yes we will investigate all complaints
426 including anonymous complaints.
427
428 TT Uh huh.
429
430 BW Ok. If someone gets a little antsy and starts writing a lot of letters I'm going to be
431 coming out here a lot so. I like you guys but I don't want to spend all my time out
432 here. I have nothing.
433
434 EE Sgt. McGuire is there anything that you want to add or delete from your
435 statement?
436
437 SM No sir.
438
439 EE Ok. I want to thank you for coming out and speaking with us today. This will
440 conclude the interview, the time is 1437 hours.

Subject: AVL Data

Major,

Sorry it took so long to get you this information. As I mentioned we saw some discrepancies and wanted to verify what was happening. We only found AVL data for two days for the addresses provided. Both instances are outlined below and occurred while he was 10-75. I've also attached screenshots of the data.

- 7/22/2011 (1857 hours) – Arrives and stops in the area of [REDACTED]
- 7/22/2011 (1911 hours) – Departs the area of [REDACTED]
- 8/15/2011 (0917 hours) – Arrives in the area. Unsure if the unit stops because the last coordinate reported was heading NW at 33.8 MPH. (see file "1652 2011-08-15 Arrival.JPG")
- 8/15/2011 (1043 hours) – At the intersection of Dunlawton / US1 in Port Orange. This is the first coordinate received since 0917 hours (see file "1652 2011-08-15 Remainder.JPG")

As you can see, there is an unexplained gap in the AVL data on 8/15/2011. There are a few possible causes for such a gap. For example, we will not receive coordinates if the MDC is turned off, loses satellite signal (e.g. inside a building), or cellular (i.e. Sprint) connectivity. We will also see an interruption of AVL data if the GPS antenna is malfunctioning or is unplugged. In order to help isolate the cause in this case, we looked at the remaining AVL coordinates (see file "1652 2011-08-15 Remainder.JPG") on that date and found the following:

- 1043 hours – After approximately 86 minutes with no AVL activity, the unit starts transmitting AVL coordinates again at the intersection of Dunlawton / US1.
- 1054 hours – Last AVL coordinate reported for the day showing the unit heading north at 32.5 MPH on City Center Parkway in Port Orange (i.e. by old POPD location).
- 1257 hours – Unit runs a tag from his MDC (see file "1652 CAD Unit History 2011-08-15.PDF")
- 1300 hours – Unit logs out of CAD from his MDC (see file "1652 CAD Unit History 2011-08-15.PDF")

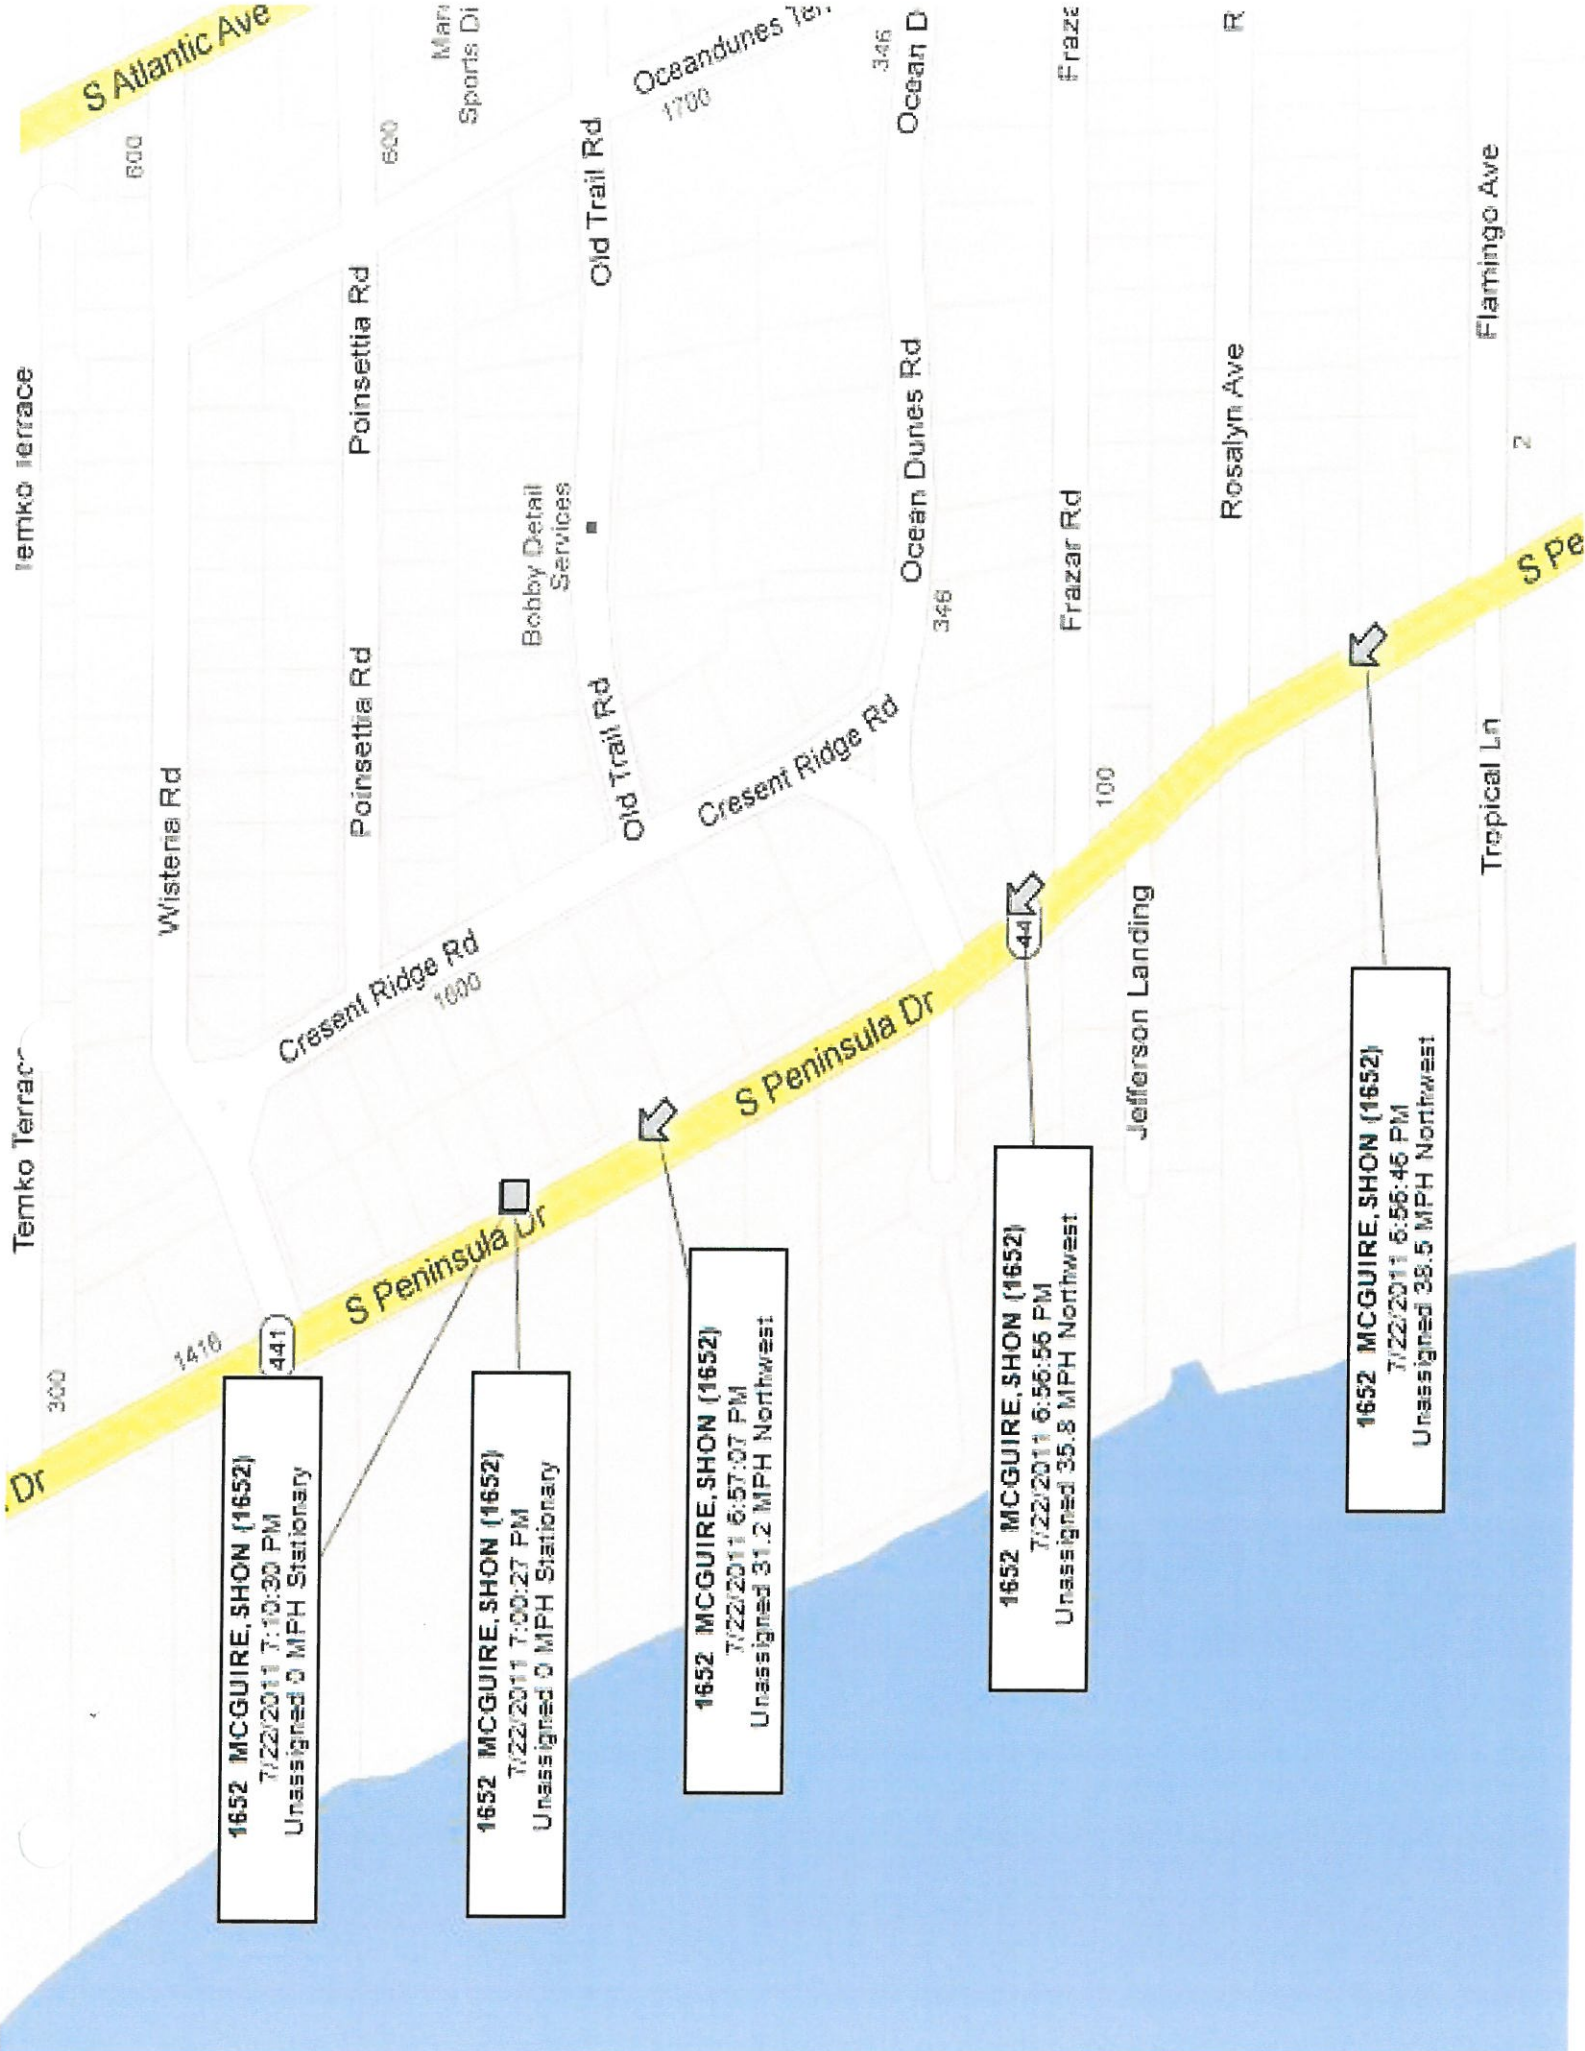

3/9/2012

Based upon the above information, I suspect that he is unplugging his GPS antenna. For example, it seems that his MDC was on and he had cellular service during the three minutes when he ran the tag from his MDC and logged out of CAD. Therefore, we can eliminate his MDC being off or no cellular service. If you are inside a building, then it is possible to have a cellular signal, but no satellite signal. However, why would he be running a tag while inside? The GPS antenna could also be malfunctioning, but that is unlikely since it was obviously working earlier. If he is in the habit of unplugging the device, then that may explain why we only saw him in that area on a couple of days. I would suggest that someone start spot checking a few days of his AVL data.

To help identify deliberate attempts to circumvent AVL in the future, I've asked that my staff to begin looking at developing a routine that will log / alert anytime the MDC is on and it does not detect a GPS antenna connected. However, at this time, I don't have a timeframe on when I can get that implemented.

Let me know if you need anything else.

Tim

03-01-2012 SGT TATUM met with CHIEF COFFIN and completed a cursory search in Force Watch from June 1, 2011 thru February 1, 2012 regarding an anonymous allegation that SGT MCGUIRE was hanging out at [REDACTED]

The results of the cursory search in Force Watch did not reveal SGT MCGUIRE on-duty at the alleged address. The complaint was then given to MAJOR JONES for review and action.

03-09-2012 LT EAGAN received the anonymous complaint from MAJOR JONES after he met with SGT MCGUIRE and he affirmed that he was having an extramarital relationship with the alleged party. MAJOR JONES concluded the meeting and referred the administrative investigation to Internal Affairs for review and action.

SHERIFF JOHNSON ordered the administrative investigation into the allegation of misconduct by SGT MCGUIRE. SGT TATUM and INV BENNETT served SGT MCGUIRE with his Notice of Internal Investigation.

LT EAGAN received AVL data compiled by SO Info Systems that was originally sent to MAJOR JONES for review.

03-12-2012 LT EAGAN reviewed ForceWatch for possible contacts with SGT MCGUIRE at Ms. GITTNER's home, [REDACTED]. LT EAGAN expanded the search area encompassing the entire peninsula from March 12, 2011 until March 12, 2012. During this query LT EAGAN noticed that on September 19, 2011 then Deputy MCGUIRE drove south on Atlantic Ave. (past the general area where GITTNER lives) and west on Dunlawton Ave. to his home [REDACTED].

INV GABRIEL conducted a drive-by of GITTNER's residence to attempt to verify that she still lives at the [REDACTED]. GITTNER's vehicle was not located during this attempt.

03-14-2012 LT EAGAN met with County Attorney Nancye Jones to review potential interview questions for SGT MCGUIRE and Ms. GITTNER.

03-15-2012 LT EAGAN received a call from County Attorney Nancye Jones and she told him that she did have any concerns with the questions shown to her. She was going to contact Ms. GITTNER's attorney and try to arrange a meeting or obtain a phone number for Ms. GITTNER.

03-16-2012 LT EAGAN received an email from County Attorney Nancye Jones forwarding email correspondence between Ms. GITTNER's attorney and

her. Ms. GITTNER's attorney, Melissa MURPHY indicated in the email to Ms. JONES that her client "is declining to be interviewed as a witness."

LT EAGAN attempted to contact SGT MCGUIRE via his department issued cell phone/Nextel and was unable. He left a voice mail message and SGT MCGUIRE returned his call a few minutes later. LT EAGAN set up an appointment for SGT MCGUIRE's interview on March 22, 2012 at 1000 hours.

- 03-21-2012 LT EAGAN completed a sampling of SGT MCGUIRE's AVL (automated vehicle locator) performance during the months of April, May, June, July, August, September, October, November 2011.
- 03-22-2012 LT EAGAN and SGT TATUM interviewed SGT MCGUIRE at the IA interview room. Also present was Teamster Reps Josh Vedder and Bob Walker.
- 04-10-2012 LT EAGAN presented the administrative investigation to the Sheriff and his executive staff.
