Gary:

VolusiaExposed is currently working on our Sgt. Shon McGuire article regarding ROIs 2014-015 and 2014-019.

Question and PRR.

Regarding the “unknown female friend” of Sgt. McGuire (ROI 2014-015) – in which Sgt. McGuire instructed Deputy Bowen to drive this unknown “female friend's” car from the Iron Horse Saloon to his (McGuire) home – Who is she? What is her name? And why was she not identified in the ROI? <http://volusiaexposed.com/investigations/vcso/ROI.IA-14-015.Mcguire.pdf>

While the ROI identifies the name, address and phone number of the female arrestee that McGuire spoke unprofessionally to (Ms. Christina Clay) – the investigative report never identifies Sgt. McGuire's intoxicated “female friend”.

We (VolusiaExposed) would imagine that at sometime during the investigative interview, Sgt. McGuire would have been questioned as to her identity. We would also imagine that VCSO investigators would have wanted to talk with her, like they did with Ms. Clay. So we (VolusiaExposed.Com), request a copy of any public record, including the transcript of Sgt. McGuire's testimony, that identifies this “female friend” of Sgt. McGuire.

Absent any records being available that identify this “female friend” - we request the CAD reports from March 12, 2014 1800hrs to March 13, 2014 0600 hrs for District 3 – the portion of District 3 that incorporates the Iron Horse Saloon.

Please advise us in advance of any costs that are associated with our request for records, and use our below email address as our point of contact.

Thanks
