I must correct a statement I made in my previous e-mail. I didn't realize that although the Michael Sawicki supervisory inquiry did not reach the level of a formal IA, our Internal Affairs Unit nonetheless had prepared an ROI following Sawicki's resignation in order to document the complaint and formally close out the inquiry. Apologies for my earlier misstatement.

The paperwork/ROI associated with the inquiry along with Sawicki's letter of resignation and the CJSTC Form 61 are attached as requested.

Gary:

Any paperwork available on the Sawicki situation? - heard it was being heavily investigated - albeit, on the supervisory level - to include video being pulled from a convenience store..etc

How about a copy of his (Sawicki's) CJSTC 61 form and his letter of resignation - is that available?
