Good day everyone,

I hope this finds everyone doing well. Over much thought and being in a place where I can go enjoy life with my husband, son, daughter and dear friends; I have decided to retire from the department. I have enjoyed my last 25 years here with many of you, some I still have to meet, and those that have left before me. Many of you are very dear to me and I know your success will be nothing short of astonishing. It has been a tremendous honor serving this community and working alongside some of the best officers in the Country. There were many great memories made and will be cherished forever. I feel I have served this agency, city, and community with integrity, respect, and pride. Not to be diminished by those that continue to have hatred in their hearts within this building and from outside.

Please know I am leaving on my terms and very excited to spend my time with my family, to travel, and not deal with the childish tantrums thrown at me for their personal agendas.

I wish all the new officers much success in this amazing agency and one to take pride in working. To those that I have inspired, mentored, befriended, I have the utmost confidence you will be doing the same for others. This agency works because people care, we should always lift each other up, life is too short to be hateful.

Special thank you to Interim Chief Proctor (Chief Proctor) I will always respect you and appreciate your patience and tolerance of me when I was first starting as an officer. Thank you for always pushing me to be better, except when you threatened to ride in my car if I did not get a DUI, lol. I have always trusted you as a friend and will continue to do so. It's not a secret I wished you would have been Chief here as I had also dreamed of being a Chief here one day. However, there are always blessings in disguise and I know you are on the correct path.

So for the next few weeks I will still be around as the Captain until October 29th, 2021. I still plan on volunteering for the Christmas Toy Drive here and maybe some other volunteer things.

Respectfully,

Captain Kimberly Kilpatrick
