Robin we can chalk it up to a misunderstanding. Please preserve all cell phones or iPads currently and previously assigned to the Police Department cell phones are not deleted. I have several requests dating back to 2018 and I want to ensure no IMessages and text are not deleted. As you know the aforementioned documents for **potential litigation**.

Greg,

I will provide you with an estimate to review the text messages again and research whether the cases mentioned have exemptions. Again, of review. The other information redacted was medical information and redacted pursuant to F.S. Chapter 119.071(4)(b)1.

I have also entered the request for the cell phone invoice mentioned below.
